> The Ham -People have for centuries been afflicted with bald heads, and the only remedy, berelotore known, has been those abominable wigs. By a recent discovery of Prot Wood these articles are being fast dispensed with; but a great many persons still patronize them, be cause they have been so often imposed upon by Hair Tomes of different kinds. To all see persons we earnestly make the request, that they will try once again, for in WOOD'S RE STORATIVE there is no such thing as fail,-We know of a lady who was bald, who used the article a short time, and her head is now covered completely with the timest and most beauti-tal curis imaginable. We know of numerous cases where hair was rapidly falling out, which t restored in greater perfection than it eve had been before.

It is also without doubt one of the best articles for keeping the hair in good condition making it soft and glossy, removing dandruft and has proved itself the greatest enemy to all the ills that hair is heir to

It is the duty of every one to improve their personal appearance though some may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either n man or woman, is an object much to be deired, and there are no means that should be it unified to obtain such a consideration -

Waman's Advocate, Philadelphia. Cochecte's, Ohio. November 17, 1856 .- O. J. Wood & Co .- Gents :- As I have been engaged in seiling your HAIR RESTORATIVE the last season for one of your local agents, (R. M. Hackinson.) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio or some State in the West, should you wish to make such an arrangement, as I am convinced there is nothing equal to it in the United States, for restoring the hair. I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores the secretive organs or invigorates the scalp as well as yours. Being fully convinced that your RESTORATIVE is what you represent it to be, I would like to engage in the sale of it, for I am satisfied it must sell. S. T. STOCKMAN. Yours, truly, S. T. Wood & Co - Gents: Having realized the good effects of your HAIR RESTORATIVE, I wish to state, that poding my hair growing thin, as well as grey, I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours, &c , JAS, FRANCIS. O. J. WOOD & CO., Proprietors, 312 Broadway, N. Y., (in the great N. Y.
